**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing as a consumer who supports broadband competition.

I switched to a relatively small provider who charges a reasonable rate after living for years with poor service and high rates from one of the larger providers (ATT) ATT behaved as if they held a monopoly on the internet. What if in the future they actually did.

We can do better than that with small competitors who understand the needs of their customers.
